JUDGE KING: Pursuant to the authority of the Illinois Commerce Commission, I now call Docket No. 00-0386. This is the application of Commonwealth Edison Company for a certificate of public convenience and necessity under Section 8-406 of the Illinois Public Utilities Act to construct, operate and maintain a new electric transmission line in Will County, Illinois.

May I have the appearances for the record.

MR. ZIBART: For the petitioner, Commonwealth Edison Company, Christopher Zibart of Hopkins & Sutter, Chicago, Illinois.

MR. REVETHIS: Steven G. Revethis, Staff counsel, appearing on behalf of the Illinois Commerce Commission staff, Madam Examiner.

JUDGE KING: We have had some brief discussion off the record. We have come up with the following tentative schedule for how we are going to proceed. It is not a complete schedule, but it will allow us to move this case forward.

And that schedule is that we expect to

have the Applicant's prefiled testimony by  
July 28th.

Is that going to be in-hand? Is that a  
mail-in date?

MR. ZIBART: I guess that would be a mail-in  
date. We would Federal Express it down to  
Springfield.

MR. REVETHIS: That's fine, to  
Mr. Linkenback's attention, if you could.

JUDGE KING: Then we will conduct a status  
hearing on August 8th at 10:00 a.m. to be able to  
then complete the schedule in this case in order to  
bring it to an evidentiary hearing.

If there is nothing further from the  
parties here today, I'm going to bring this hearing  
to a close and we will reconvene on  
August 8th at 10:00 a.m.

(Whereupon the foregoing  
proceedings were continued  
to Tuesday, August 8th, 2000  
at 10:00 a.m.)
